NGHIA MINH TRUNG NGUYEN

Full-Stack Web Developer

+84 934 945 803 ⋄ nguyenminhtrungnghia@gmail.com ⋄ github.com/JuneNghia

OBJECTIVE

With over 2 years of experience in creating web applications that significantly support individuals and organizations, I am always eager to contribute to the community through the products I've developed. Driven by a passion for creativity and constant discovery, I aim to challenge myself in large companies to learn and develop my skills, from knowledge to professional ethics. My next goal is to become a senior full-stack developer capable of training and leading teams in large, complex projects with extensive frontend and backend requirements.

EDUCATION

Master of Information Technology (In progress)   07/2024 - Present
Ho Chi Minh City University of Technology (HUTECH)

Bachelor of Information Technology   08/2019 - 12/2023
Ho Chi Minh City University of Technology (HUTECH), CGPA: 3.66/4.0
